Concerned about the Equifax Breach?

Nearly 143 million consumer's Social Security numbers, birth dates, addresses, Driver's License numbers and credit card numbers were possibly compromised. Whether or not your information was involved, there are a few things you should consider.

- Review your credit report regularly through annualcreditreport.com
 - Consider freezing your credit
 - Examine bank and credit card statements carefully
- Create strong passwords; never use personal information in passwords
 - Consider ID theft Protection and Credit Monitoring
 - Don't ignore mail and bills from places you don't recognize
